Attention: - Regarding the two letters I sent

Dear Malcolm

Did you get the two letters I sent you, and
did you read them?

Did you talk the enclosed contents over with Lucy your
wife and daughter and ask them what they thought as
a family?

Did you talk the enclosed over with very, very, very
close friends and family?

Then give me your feedback, don't ring me Walls have
ears, email me your thoughts, questions and answers
and then lets meet.

If you have a computer at home, download Pal Talk
Chat Program and put on your computer, we can
always open a private room and talk on there, my nic –
name is XXXXXXX, so add me to your friends list.

I see Christine Milne Greens Leader said on Lateline about the return of you to the Liberal Leadership, will attract **GREENS** support.

So I hope you don't mind, I shared with Christine Milne the two letters I sent you which are up online here: -

Aussie News Today

<http://www.scribd.com/AussieNewsToday>

Putting together a **"Covert Pys Ops"** takes time and planning, and you always take out insurance against yourself in case it goes belly up.

You also take out insurance if people you involve in a **"Coup"** and **"Covert Pys Ops"** think they will double cross you and stiff you.

So by me putting the letters up here online, we have you, me, The Australian people and other people around the World given the inside facts, what was offered, said etc.

If any of the information gets back to other politicians either side of the camp, they still don't know what the **Left Hand** – is doing from – **The Right Hand.**

I have a few things to discuss with you and if successful in pulling of this **"Coup"** I would like to put the following request before you of what I want / or would like, also how I can help you with the task, I have tapped you on the shoulder to do.

Bill Shorten & Jason Clare Labour

Malcolm lets talk openly, honesty, truthfully, and be down to earth and real, not dishonest.

Question: - Tell me you weren't a **"Big Fat Dumb Ass"** and thought, yeah somebody wrote you a few letters ask you about your intensions and tried to sound you out.

On whether if **"A Coup"** could be planned and **"Covert Pys Ops"** mission to return you to the Liberal Leadership and then hopefully next year offer to make you Prime Minister of Australia.

Please tell me you weren't a **"Big Fat Dumb Ass"** who read the letters, talked it over with a few other politicians and you run off thinking, you will use some of what I said and talked about in those letters against Tony Abbott.

Take back the Liberal Leadership, next year run for election and if you win, return back to the Ex – Prime Minister John Howard years.

Please tell me you weren't dumb and stupid to think this?

Malcolm – Malcolm allot of thought was put into this before I thought of writing to you and proposing the possible **"Coup"** and **"Covert Pys Op"** mission I was about to undertake and put into effect.

Lets pull the reins up on the horses and stop them.

There is a few twist, turns, back stabbing, knives in backs and walking the plank feeding people to the sharks and hang them out to dry.

For this **"Coup"** to be successful.

Starting with, if successful the Liberal / National Parties have to have a real internal look at themselves, turn about 360 degrees, turn about policies, scrap policies and develop policies for The Commonwealth of Australia and the citizens of Australia, that **"WE The People Want"**

Not policies the Liberal / National Parties want to force upon people of Australia, that are not in Australians best interest.

There has to be a re- education, training workshops to un-brainwash them, educate them, un-program them and wake them up to some of the truth about our past where we have come from.

Where we are now.

And where we are going to as a country and people for the future.

I am dead serious unless we turn back the hands of time correct the past, set the record straight we cannot move ahead to the future.

Then the planned **"Coup"** and **"Covert Pys Ops"** plan I put into action will fail.

All we are doing is changing **Ben – For – Bill** with no real changes, corrections, dealing with our dirty past, correcting it and then move forward.

Bill Shorten & Jason Clare Labour

I was sitting here one day a few weeks ago, and reading the bigger picture and the grand chess board game being played out and thought.

Oh my God, either late this year, early next year, mid next year and definitely before the end of next year 2013 the Arab Spring riots you see happening overseas will be here in Australia **“Revolution”**

The Revolution Will Not Be Seen On TV

It is said by people in the know **“The Real Revolution When It Starts”** will not be seen on TV.

It will start when people like me and others who have had enough of the corruption, evilness from both major political parties.

Somebody will stand up and act tap, you, you, you, you on the shoulder hopefully bring them to power and be given the job to clean up the sheer, ugly, evil, corrupt mess.

That is what I have done by tapping you on the shoulders Malcolm.

I was going to arrange a private meeting with Bill Shorten & Jason Clare, sound them out and if suitable tap them on the shoulders and set them up to stage a **"Coup"** against Julia Gillard Prime Minister and throw that **CIA – Israeli Mossad Gillard** out on her ass.

- I Have taken **Kevin Rudd** out of the picture, he wont raise his ugly head if he knows what is good for him.

Please see here, scroll down and read **"The Legal Indictment"** written against **Kevin Rudd**.

Also read the **"Evidence To Support The Legal Indictment"**

Aussie News Today

<http://www.scribd.com/AussieNewsToday>

Also read **"Why Julia Gillard & Kevin Rudd"** cannot legally stand as Prime Minister of Australia, and also at Law under the Constitution may be holding their seats in Parliament Illegally.

So not bragging, I have set the dominos up ready to be kicked over any time somebody wants to kick them.

As for Bill Shorten, after studying his past he is basically corrupt to the bone and or has too much baggage he is carrying.

As for Jason Clare, what can I say about sweet Jason, I cant fault him, he is honest as the day is long, I love everything about him as a politician representing the people.

Lets pull the reins up on the horses and stop them.

Before any **“Chairs Change About On The “SS Australia Ship”** I would like to present to you what I request / want out of all of this.

And how I can help you if we can pull off this **“Coupe”** how to clean up Canberra and the Parliament both sides of politics.

What Is Happening On The World Stage At Present And The Grand Chess Board Game For Control

Before anybody gets carried away with changing chairs about on the **“SS Australia Ship”** there is a few things going on which I should educate – inform you about, which is **out of all of our control.**

If **1 – 2 – 3 – 4 – 5 – 6** happens within the next few days, week, 2 weeks, month or few months?

There wont be **NO** chairs changing about the place, you all **(Yes – I mean you all)** every single one of you sitting in the Federal Parliament will have **“Cold Blooded Murder & Blood On Your Hands”**

Let me explain

- How much do you know about history?
- How much do you know about The USS Liberty False Flag Attack in 1967?

The following what I am about to disclose is **NO** deep dark secret every informed Australian who is awake and people around the World know what I am about to disclose.

The State of Israel has **(3 Nuclear Subs Roaming)** the Gulf ready for instructions from Prime Minister Netanyahu **(That Madman)**, whether to carry out a **"False Flag Terrorist Attack"** against the **"American Air Craft Carrier USS Enterprise"** similar to the Attack they did on the USS Liberty in 1967.

Thus killing 1,800 American Sailors then blame Iran for the Attack and get World War 3 going.

Also please read this: -

Nuclear Terrorist Attack In America Planned! – Part 1.

Aussie News Today

<http://www.scribd.com/AussieNewsToday>

I am working on Part – 2 now over the next few days, but you should read that immediately, like **URGENTLY** like now!

If these things happen and take place in the next week, few weeks, months and as you will read there is enemies within United States of America planning as we speak to make these things happen to start WW111.

It's all out of anybody's hands.

Nobody can do a thing to stop the above except the Americans themselves.

If the above happens it will trigger WW111, but also will bring down the **Whole House Of Cards**, because too many of us in the World know the truth of what is really being planned.

And all the **lying Mainstream Media** in the World and Corrupt Western Governments stories will not keep a lid on things.

1) We will be in WW111

2) People will take action, which could be violent and turn on every **Western American Puppet – Lucky Governments** in the World including **Australia**.

Because the Whole Australian Parliament as it stands, will be seen to have supported **“Evil Forces”** within the American Government and System to cause the above to happen.

And 1, 800 Sailors killed to **Cold Blood**.

The US Joint Chiefs, Secretary of The US Navy and Chief Of The Navy

- General Dempsey US Joint Chief Boss
- Secretary of The Navy
- Chief of the US Navy

Have all been warned, you allow that mongrel – bastard State of Israel and them murdering, Blood thirsty Zionist Jews in Israel.

AIPAC The Jewish Lobby in Washington DC

You allow these people to carry out another USS Liberty 1967 type **"False Flag Terrorism Attack"** upon the USS Enterprise of any other US Ship in the Gulf or anywhere in the World.

Killing American Sailors in **"Cold Blood"**

There won't be a rock big enough for the three of them to hide under, as there will be people in America who will.

- Come after them first
- Go after everybody in the GOP and Democrat Parties including Romney and President Obama

And they will take their absolute anger out on them, you will see riots in the streets of America, politicians pulled from the Congress / Senate and their electoral Offices.

Ropes thrown up over the nearest tree and hang them all for their part they played in the murder of American Sailors.

Over the last few weeks US Homeland Security or **"Jewland Security"** as its nic – named by because it's full of Zionist Pigs, Communist, Nazis, Fascist etc

Has been preparing for the worst by, buying up bullets, guns, weapons you name it the shopping list would make an Illegal Arms Dealer knees shake.

The Palms of his hands would itch with jealousy wishing he had the contract to supply all this weaponry.

Anyway Malcolm these are the things facing our World as I speak and write.

If the above happens, even you wont be worth touching or having anything to do with politically.

Actually politically speaking the **Whole Australian Parliament** every single last one of you, will be damaged goods at the election both.

Because **NOBODY**, not one single person spoke out about or against, you were all in there supporting America in the **"Fraudulent Way On Terror"**

You were all there supporting both political parties GOP and Democrats in America and **"The Evil Entities"** behind the scenes who had taken control.

You all supported the sheer evilness above, which is what is being planned, and **NOBODY** spoke out!

What A Better Way To Finish Off This Letter Then Like With The Following

"Evil exist in the World Today because Good, Righteous, Honest People shut up and say nothing"

- First they came for The Communist and I wasn't a Communist so I never spoke out.

- Then they came for the Unionist and I wasn't a Unionist so I never spoke out.
- Then they came for the Gay People, and Gypsies and I was neither of them so I never spoke out.
- Then they came for the Old, Infirmed, Disable and I was none of them so I never spoke out.
- Then they came for the Old Jews of no worth to the system and I was not Jewish so I never spoke out.
- Then they came for me and who was there to speak out to?

Nobody.

With that said Malcolm email me and lets arrange to meet and talk further about things, we may even invite Greens Leader Christine Milne to the meeting.

But lets leave out all the advisers and Office staff please, lets just get down the core end of business and talks about a possible **"Coup"** taking place.

Yours truly
Lloyd T Vance
